## Giving the Gift of Hope to People in The Gambia

GambiaHELP is a 501(c)(3) non-profit organization made up of dedicated individuals in Seattle. The goal is not simply to provide a gift, but to assist Gambians in their efforts to build a sustainable economy and environment. In short, we strive to help Gambians help themselves. **95% of all donations go directly to our projects in The Gambia.**

### Give a Sustainable Gift to a Gambian Family

Gambia is an agricultural society. The Gift of Animals can make a huge difference in their lives. Often the animals would provide offspring with the intention that the offspring will be given to another worthy family.

Goat \$155  
Beehive \$45  
Chickens \$25**

**Library Development:** GambiaHELP has built and renovated 55 libraries in The Gambia and has sent over 350,000 books, and offers library training. Because of termites, library furniture must be made of red timber.  
**Library table \$20, 2 chairs \$25, bookshelf \$40.**

**Educational Funds for  
Elementary School  
Children. \$175**

It costs about \$175 for a Gambian child to attend elementary school for one year. This includes their school fees, books and supplies, uniforms, shoes and school lunch. You can select to support a girl or a boy student. There are many studious children in The Gambia who are deserving of this support.

Use the Donation form on the Back, go to our web site [www.GambiaHELP.org](http://www.GambiaHELP.org) or contact us for more information.
